WHERE TO PARK THE BUS

- The groups coming by bus, should note that the street where the hostel is located is a narrow one, so do not try to enter it. Please use the map below, for driving and parking directions .
- In the case you are coming from direction west (Oradea - Huedin) to Cluj city center, consider the red line as the right direction.
- The blue dot is Retro Hostel's location. You cannot enter the street by bus !
- Let the group get off the bus on Avram Iancu street, 50m away from the hostel and try to park the bus on the red dots locations. If you're coming during the day time, because of the traffic this might be a problem, so use the far red dot as a parking location. Please consider that, in the evening the center is less busy, so parking in the other two locations is very likely.
- Between 8 p.m and 7 a.m parking is free in the city center, where Retro Hostel is located.
